CALL HOLD AND CALL PARK - INTRODUCTION

The image shows a Polycom VVX 350/450 IP phone. The phone has a black handset on the left and a main unit on the right. The main unit features a color LCD screen at the top displaying a call in progress with the number 6127674311, the date and time 'Thu, Jan 14 8:34 AM', and 'Park 100'. Below the screen are four menu buttons labeled 'DND', 'Paging', 'History', and 'Directory'. The phone has a standard 12-button numeric keypad with function labels like 'ABC', 'DEF', 'GHI', 'JKL', 'MNO', 'PQRS', 'TUVW', and 'WXYZ'. There are also several soft keys and a central navigation pad.
