

International and Extended Domestic Calling Rates

Effective December 9, 2022

Rates may vary based on region of country. Highest rate is shown.

Charges apply to international calls originating from lines that have POPP as the long distance provider.

For calling card calls originating from the United States, long distance calling rate plus international call rate apply.

Rates do not include taxes, surcharges, international directory assistance calls, or calls to international special services. Additional terms and conditions apply on application for service.
