3 Click to Dial

- Click the [Make Call] button 
- Make a call to: enter the 10-digit phone number to call, type a name, or select from drop-down
- From: leave this field set to [My Phone] to call from your desk telephone or click [Change] and enter a [10-digit phone number] to place the call from (home phone, cell phone, etc.).
- Click [Dial] to initiate the call.
- The telephone you are calling from will ring (desk telephone, home phone, cell phone, etc.). Answer the telephone and the call will be placed to the destination phone number. Example: Use your home phone to make a call using your desk telephone phone number.

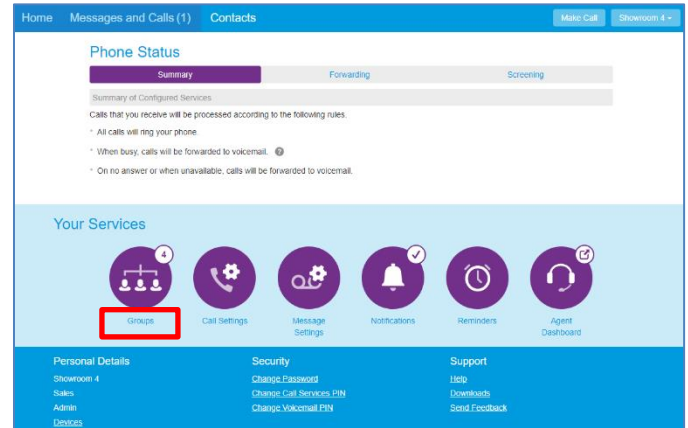

The screenshot shows a web interface titled "Dialer". It contains a "Make a call to:" label above a text input field with the placeholder "enter number to call" and a dropdown arrow. Below this is a "From:" label with "My Phone" and a blue "Change" link. At the bottom right, there are two blue buttons: "Dial" and "Close".

4 Telephone Configuration
