

The Yealink WH62/WH63 headsets are compatible with Yealink T31P/T33G/T46U/T54W/T57W telephones and can be connected as follows:

- To connect a Yealink WH62/WH63 headset to a T46U/T54W/T57W phone, the USB cable that is included with the headset may be used.
- To connect a Yealink WH62/WH63 headset to a Yealink T31P/T33G phone, a separate EHS35 Headset Adapter Cable must be purchased.

The Yealink T46U/T54W/T57W telephones are also compatible with many Jabra, Plantronics (Poly), and Sennheiser headsets using a separate EHS40 Headset Adapter Cable that must be purchased.

The Yealink WH62/WH63 headsets are also compatible with Poly VVX phones using a separate EHS60 Headset Adapter Cable that must be purchased.
